Schedule – Thursday, April 20th

7:30a – 11:16a = Normal School day, rehearsal during periods 1 - 4

5th and 6th = Pack instruments in cases, prep for truck load after school

3:30 – 4:00p = Load truck at Leon HS

4:15 – 5:30p = unload truck at Cascades Park AND set up on Adderley Amphitheater stage

6:00 – 8:00p = Performance (order: Stainless, Jouvert, Bacchanal, Canboulay)

8:00 – 8:30p = pack and load truck

8:45 – 9:15p = unload truck at Leon HS

IMPORTANT NOTES:

- **All students who are involved in this performance MUST help pack and move instruments at all times listed above** – attendance will be checked at each time listed above. It is critically important that everyone pitch in to meet these time goals. We will not have to set the room back up after the show, so *with everyone present* it should only take about 15 – 20 minutes to unload everything into the steel portable and then we can go home. **Please do NOT leave this very difficult job to Dr. Justus (who is 7 months pregnant) and only a handful of students.** Doing this will only mean additional and longer work for everyone who returns to school to help.
- **Students and parents should plan to carpool/travel to and from Leon HS after the truck load before the show (between 4:00 – 4:15) and after (between approximately 8:30 – 8:45).**
- There will be light refreshments provided during the packing/moving before and after the show to include snacks, chips, cookies, and water/beverages. BUT, students should pack/bring their own dinner food as necessary (or parents/guardians/friends who attend can bring food for students to eat at the park while they are not performing, packing, or loading).
