

Lion Steel @ Raa MS – Saturday, May 4th, 2024

INFO

Performing Bands: Canboulay (4th period), Bacchanal (2nd period), Jouvert (3rd period)
All students in these bands will perform for this event.

Other bands that will perform include RAA ADVANCED STEEL, MATANZAS BLUE STEEL

This is an important opportunity to do several things:

1. Canboulay and Bacchanal get to practice performing their competition sets (and packing/loading the truck).
2. All three Lion Steel bands will perform for students in our middle school feeder program as a way to recruit steel students for next and future years.
3. Lion Steel, Raa, and Matanzas steel students will get the chance to meet each other and to see what they have been working on.

SCHEDULE

12:00p Meet at Lion Steel portable to pack and load truck

1:00p Unload the truck at Raa, set up instruments

2:00p – 5:00p Performances, games and activities, snacks/food/food trucks – the lime!

5:00p Pack and load truck

5:45p Meet back at Lion Steel portable to unload truck

6:30p approximate dismissal time

NOTES:

In the event that there are food trucks, students will be able to purchase snacks, food, and other refreshments during the event. Lion Steel will also provide some light snacks (like chips, cookies) and water from load out to load in (12p – 6:30p) and pizza for students at some point (likely during the set up from 1 – 2p).

This event is free and family-friendly. It is not a sit-down style concert, like we are mostly used to for steel performances we've seen. Instead, during the 2-5p time, people will be walking around, meeting each other, and enjoying the music and atmosphere – in the spirit of a Trinidadian "lime" (a music party hangout). Though students will be expected to be at Leon and Raa at the times listed above, friends and families who want to see the performances are encouraged to come and go as you please!
