Service Hours Log Sheet

As a member of Tri-M, you are required to have a minimum of eight MUSIC service hours per semester. This applies to events such as fundraisers, MPA, Tutoring, volunteering for Leon Performing Arts, volunteering for other music endeavors with adult supervision. Performances will only count for service hours if they are pre-approved by Tri-M sponsors. (Most will **not** count, especially if you are receiving a grade for the performance) If you are going to PEER TUTOR, your hours must be approved by Mr. Commander or Mrs. Peck before you begin.

This point sheet is due to the Secretary at the December meeting (fall) and the April meeting (spring)

Must be signed by an adult. If you are unsure if your service counts toward Tri-M, ask Mrs. Peck or Mr. Commander prior to doing it
